[Learn About Warranty](#)

What happens when you give a world-class team of passionate, performance-obsessed engineers a blank page? The all-new 2014 Corvette Stingray happens.

Cruze goes beyond your typical compact car. Its modern styling on the exterior hints at the ground-breaking vehicle inside — one so efficient, so safe and so technologically advanced, it redefines the category. With up to 4.2 L/100 km (67 mpg)² highway fuel consumption rating, the new 2014 Cruze Clean Turbo Diesel gets the best highway fuel efficiency of any gasoline or diesel car in Canada.⁵ Plus, Cruze was the first car in its class with 10 standard airbags⁶, helping it earn a 5-Star Overall Vehicle Score for Safety³ from the U.S. NHTSA.

But we didn't stop at safety and fuel efficiency. Cruze also gives you more cargo space, more technology, more connectivity and more options, with an innovative lineup that features the Cruze Eco and the all-new Cruze Clean Turbo Diesel. The Clean Turbo Diesel generates at least 90 percent less Nitrogen Oxide (NOx) and particulate emissions than previous generations of diesel engines.

Cruze packs more of everything into a stylish compact frame. And as we all know, more is ... well, more.

CUSTOMIZE IT
Chevrolet Original Wraps

A red Chevrolet Cruze sedan is shown from a front-three-quarter view, driving on a paved road. The car is positioned in the center of the frame, moving towards the right. The background consists of a clear blue sky and a distant horizon line. The car's design features a prominent grille with the Chevrolet bowtie logo, and its headlights are visible. The overall scene is bright and clear, suggesting a sunny day.

Make an impression

Cruze has auto critics salivating over its exterior design and pleasing proportions, but trust us, even your neighbours are going to stop and take notice. Centred around the strong, attention-grabbing grille, its swept-back headlights lead the eye across sculpted fenders, around the sides and back again.

RS Appearance Package

Turn up the volume with the RS Appearance Package, available on LT and LTZ. On the exterior, this package includes unique front and rear fascias, rocker mouldings, and a rear spoiler giving your Cruze the look to match the feeling behind the wheel. Even the fog lights are enhanced, with sleek chrome accents.
